

Use only in modern muzzleloaders and black powder cartridge firearms

Failure to use in strict accordance with these precautions may result in severe injury, including death, or property damage. Before using this product know characteristics of black powder and black powder substitutes and safe operation of your firearm.

GENERAL PRECAUTIONS:

- KEEP AWAY FROM FLAME, HEAT AND SPARKS.
- Handle with care. Avoid impact and friction.
- This product is not interchangeable with smokeless powder.
- Clean up spilled powder using broom and dustpan—never use a vacuum cleaner.
- Never load with spark or static producing tools or machinery.
- Never mix powders.
- Avoid contact with clothing.
- Keep out of reach of children.

LOADING PRECAUTIONS:

- Before use, read all instructions, safety precautions and load data available free of charge at www.alliantpowder.com or by writing to the address on this label.
- Use only in firearms found by a competent gunsmith to be in good shootable condition.
- Always follow loads exactly as recommended by Alliant Powder.
- Use only with equipment designed for use with black powder or black powder substitutes.
- Do not dispense directly from container to firearm.
- Be certain no ember is smoldering in barrel before pouring powder.
- Seat projectile firmly against powder charge, as air space between powder charge and projectile can create a hazardous situation.
- Use no bullet/bore lubes.
- Follow all firearms loading and handling instructions provided by the manufacturer.

STORAGE PRECAUTIONS:

- Do not store near any possible source of flame, heat or sparks.
- Store in a cool, dry place.
- Keep container tightly closed.
- Do not store with other combustible materials.
- Do not repackage this product or reuse this container for any purpose.
- Inspect container and powder regularly for signs of deterioration.
- Do not subject containers to close confinement.

DISPOSAL PRECAUTIONS:

- Be sure this container is completely empty before discarding or recycling.
- Do not keep old or salvaged powders.
- Dispose in accordance with local, state and federal laws and regulations.

HEALTH PRECAUTIONS:

Inhalation, skin contact, or ingestion may cause severe headache, nausea, and lowering of blood pressure.

- Do not take internally. In case of ingestion, call poison control and a physician.
- Minimize inhalation and skin contact.
- Have adequate ventilation at all times.
- Wash hands thoroughly after exposure.
- Do not eat, drink or smoke around this product.
